Beryl Lipton, MuckRock News:

I received your data request, but you reference North Dakota Open Records Law. Our agency is in Minnesota and has no data on North Dakota Law. We have no policies and procedures to follow North Dakota Open Records Law. I don't know if this letter was sent in error, or if you were looking for data from another law enforcement agency? If you wish to make a data request from our agency and want information about Minnesota Data Practices Law, please follow up with another request.

Respectfully,

A handwritten signature in black ink, appearing to read "Mitch Bernstein", with a stylized flourish at the end.
